

# HIPAA Notice of Privacy Practices

## **Favor Health & Workforce Consulting, LLC**

This notice explains how your medical information may be used and shared, and how you can view your records.

Favor Health & Workforce Consulting, LLC is dedicated to safeguarding your health information privacy in accordance with the **Health Insurance Portability and Accountability Act (HIPAA)**.

## **Uses and Disclosures of Health Information**

Your health information may be used for:

### **Treatment**

Provide medical care, coordinate treatment, prescribe medications, and manage your healthcare services.

### **Payment**

To receive compensation for healthcare services rendered.

### **Healthcare Operations**

To oversee practice management, quality enhancements, and administrative duties.

## **Other Disclosures**

Your information may also be disclosed:

- When legally required
- For public health reporting
- To prevent serious threats to health or safety

## **Your Rights**

You have the right to:

- Access your medical records
- Request corrections to your health information
- Request restrictions on certain disclosures
- Receive confidential communications

Requests should be made in writing using the contact information below.

## **Protection of Your Information**

We implement administrative, technical, and physical safeguards to protect your information, including secure telehealth systems and HIPAA-compliant electronic records.

## **Contact Information**
